## BIBLE SOCIETY BOARD

We recognize the American Bible Society as one of the greatest missionary factors of the age, and our obligation to it for the distribution of the word of God at home and in foreign lands. We rejoice in the prosperity and widening influence of the Society and pledge to it the sympathy and support of the North Alabama Conference. We are pleased to note also that there seems to be little disposition on the part of any to discredit the authority of the sacred Scriptures, but we deplore the fact that certain men for base purposes have wrenched certain Scriptures from their place and attempted to make them prove some things utterly foreign and repugnant to the Holy Scriptures; such as the infamous liquor traffic. We commend heartily the work of the Pocket Testament League

and the effort of the Christian men among the traveling men to place a copy of the Scriptures in each room of the hotels of the country.

The collection for this Conference year amounts to only \$329.21. This shows a falling off of \$251.78 from the amount contributed last year. We are sorry to see this falling off in the amount contributed. We deplore the fact that so many charges do not report anything, and we urge that every pastor give his people an opportunity to contribute to this worthy cause.

Respectfully submitted,

J. C. PERSINGER, President.

SAM P. WEST, Secretary and Treasurer.

## BOOKS AND PERIODICALS

Your Committee on Books and Periodicals submit the following report:

### **The Alabama Christian Advocate**

We have heard with pleasure the reports of the Editor and Business Manager of the Alabama Christian Advocate.. We feel that our Methodism in this State can not do the work given it to do without the help of our Conference organ.

We endorse the plans for the future management of the paper as outlined by the Business Manager.

We commend the editorial work of the paper; congratulate our church on its clear, sane and courageous utterances on all great moral questions, and urge all our people in both Conferences to give it their hearty support. We repeat the fact, that the success of the paper depends upon the loyalty and faithful efforts of the pastors, and suggest as practical the following plan for increasing its circulation: We recommend—

1. That a special effort be made during the months of January February and March to secure 2,500 new subscribers.

2. That in this canvass an effort be made to secure the subscription of every official member, and that renewals be given special emphasis.

3. We recommend Rev. Harry Whitehead for Assistant Editor and Business Manager.

### **Quarterly Review**

We note the Review is no longer published at a loss, but now yields some revenue to the House. It is ably edited. It is the equal of any Review published in this country. We commend it to our thoughtful laymen and urge our young preachers, especially, to avail themselves of the benefit of this great Review.

### **Epworth Era**

The Epworth Era continues to improve. It is worthy of the support of all our young people.

### **The Missionary Voice**

We are delighted with our new periodical, The Missionary Voice. Each issue is filled with choice and stimulating matter, fresh from our several mission fields. The paper richly deserves the support of the entire church.

### **General Organ**

The Christian Advocate grows in circulation, popularity and influence. As the General Organ of our church it merits our loyal support. We recommend J. S. Chadwick as Assistant Editor.

---

### Sunday School Literature

Our Sunday School literature shows a rapid growth and marked improvement under the editorial supervision of Dr. E. B. Chappel. We congratulate our church upon the high standard attained, especially in our Magazine and Graded Lessons, and urge their use by all our Sunday Schools.

### Publishing House

Our Publishing House continues to show a gain in net profits. On recommendation of the Agents, the Book Committee appropriated this year the sum of \$10,000.00 to be distributed among the Conference claimants.

The net assets now amount to \$1,187,318.37. We recommend John L. Ferguson as Conference Colporteur.

(Signed)

W. F. PRICE, Chairman;  
L. A. WAITES, Secretary.

### DISTRICT CONFERENCE RECORDS

The Committee on District Conference Records submit the following report: Your Committee had before them the records of all the Districts except the Gadsden. We find them all neatly and correctly kept, nearly every one models in penmanship and arrangement.

We would especially commend the records of the Decatur District in that with each pastoral charge is that of the lay leader and his committee.

Respectfully submitted,

L. W. YOUNG, Secretary.

### BOARD OF EDUCATION

#### Report No. 1

The report upon the question of a Joint Board of Trustees, which has been submitted to your Board of Education and which is herewith appended, has been carefully considered, and we recommend its adoption upon the following conditions:

1. That the paper adopted at the session of the North Alabama Conference in 1910 be amended so that in the second recommendation thereof the word "plenary" be stricken out, and the words "subject to the concurrence and ratification of the two Confer-

ences" be inserted, so that it shall read: "We recommend further that you delegate to this Board of Trustees power, subject to the concurrence and ratification of the two Conferences, to unify", etc.

2. That the plan of unification and correlation be adopted with the further proviso or amendment that the Alabama Conference assume an annual assessment of Three Thousand (\$3,000.00) Dollars for Birmingham College; that our only "A" grade college for men be at Birmingham, and our only "A" grade college for women be at Montgomery.

(This report was not adopted, but is published for information.—Secretary.)

## JOINT BOARD TRUSTEES

---

To the Alabama and North Alabama Conferences of the Methodist Episcopal Church, South, at their Sessions for the Year 1911.

Dear Brethren:—Your Joint Board of Trustees, in session at Greensboro, Ala., October 17, 1911, respectfully report our organization by electing J. S. Frazer President and J. S. Chadwick Secretary. This organization, as stated in the resolution adopted by those present at Greensboro, was for the purpose of preparing a report to our Conferences. That report, as finally agreed upon, is as follows:

We recommend that the North Alabama Conference recognize the limitation placed upon this Board by the action of the Alabama Conference in its session of 1910 regarding the Southern University.

We recommend that the Alabama Conference recognize the similar limitation upon this Board imposed by the action of the North Alabama Conference at its session in 1907, and reiterated at the session of 1910, regarding the Athens College.

We recommend that the two Conferences continue this Joint Board with full power to carry out the purposes expressed in the action of the Conferences at their sessions of 1910, subject to the limitations concerning Athens College and Southern University.

We recommend to both Conferences that in the future they fill all vacancies in the Joint Board of Trustees under the following provisions:

That all vacancies on the Joint Board of Trustees be filled by the respective Annual Conferences on recommendation of the Board of Education of each Conference.

We further recommend that the two Conferences direct this Joint Board of Trustees to proceed to procure, in the manner and mode provided by law, a charter of incorporation for said Joint Board, and under the name and style of "The Board of Trustees for Educational Institutions of the Alabama and North Alabama Conferences of the Methodist Episcopal Church, South".

We further recommend that the Board of Trustees of Birmingham College, of Athens College, of the Woman's College and of the Southern University be authorized and instructed to take any and all legal steps necessary to transfer all rights, titles and trusts of these institutions to the Joint Board of twenty-four trustees provided for in the resolution passed by both the Alabama and North Alabama Conferences.

That, if need be, the Boards of Trustees of Birmingham College, of Athens College, of the Woman's College and the Southern University are empowered and directed to have changed the charters of these institutions so that this transfer may be legally and clearly made.

We further recommend that said Board of Trustees, when said corporation has been created as above recommended, shall take over the properties of the four institutions mentioned above along with their respective endowment funds, but said Board of Trustees shall keep separate and distinct said funds and the same shall be used in the matter of the support of each institution on account of and from which said funds are derived, and whenever there are special funds given for special purposes to any of said schools the said Board of Trustees shall maintain the same in keeping with the bequests.

### Report No. 2

The General Board of Education presented to your Board a very interesting report suggesting the following for our adoption: That we co-operate with the General Board in their plans to hold a General Educational Conference.

We recommend the adoption of this suggestion and that J. S. Chadwick and James A. Duncan be appointed delegates to attend such Conference. We also recommend the Flat Rock School to the General Board for aid.

### Birmingham College

We are glad to note that the Birmingham College has had a prosperous year and that the present outlook is very encouraging. There is a larger attendance this year than heretofore, and larger plans are being projected. The present value of our property at Owenton is \$159,223. From the April campaign the sum of \$9,805.31 was realized: We especially urge our preachers and laymen to lay to heart the interests of this institution, and to do all in their power to foster it.

### Athens College

The report before us from Athens College shows an enrollment larger than during the past year. Since our last Conference a new dormitory has been erected, Brown Memorial Hall, which is to be the beginning of a series of dormitories to be built as the need arises and means can be secured.

### Woman's College

We are glad to note that the Woman's College, after a session in which many difficulties had to be met, has opened its second session with a much more satisfactory outlook. The Board of Trustees declares that the present need is for the building of a dormitory, and for this purpose ask this Conference to authorize the Trustees to execute a mortgage on the property they now hold for a sum not exceeding \$60,000. We recommend the granting of the above request, provided that nothing herein shall constitute any obligation, expressed or implied, legal, moral or otherwise, upon this Conference for the payment of the debt or any part thereof.

We recommend that the Joint Commission which has been working with the Board of Trustees of the Woman's College be discharged at their own request, and all matters and means in their hands be turned over to the Board of Trustees.

### Receipts, Disbursements and Assessments

Received from collection for education on assessment	\$10,390.12
To printing Minutes	\$150.00
To General Board	2,048.02
To Birmingham College	5,120.06
To Woman's College	1,536.02
To Athens College	1,536.02
	<hr/> \$10,390.12

We recommend the following assessments:

Birmingham College	\$15,000.00
Woman's College	3,000.00
Athens College	3,000.00
Use of Board of Education	100.00

### Recommendations

We recommend the election of J. I. Williams, T. C. Banks, J. H. Adams, J. S. Chadwick, F. W. Brandon and F. M. Jackson to succeed themselves as Trustees of Birmingham College, and George L. Jenkins to take the place of F. P. Culver; and H. B. Malone, J. D. Lanier, E. B. Norton, H. C. Howard and P. W. Hendricks, Trustees of Athens College.

We recommend that the Trustees of the Woman's College whose terms expire at this session succeed themselves, and that L. C. Branscomb take the place of F. P. Culver.

We recommend that John D. Simpson be appointed President and Agent of the Birmingham College, and that all the Presiding Elders be Assistant Agents.

We also recommend the following appointments: W. A. Sutton, Principal of Clay County High School; F. H. Gardner as Superintendent, and R. H. Hartford as Principal of the Flat Rock School; J. B. Game, Professor in Florence Normal School; B. T. Waites as Professor in Birmingham College; M. R. Heflin as student in Vanderbilt University, and J. A. Duncan to succeed F. P. Culver as Conference Secretary of Education.

JAMES A. DUNCAN, Secretary Pro Tem.

### CHURCH EXTENSION

---

On presenting this, the twenty-ninth report of our Board, we regret to record the fact that the interest has not been manifested in this great and helpful agency in the upbuilding of our church that has been shown for other interests not more important. This is evidenced by the fact that from an assessment on the entire Conference of \$10,525.00, we have collected only \$6,515.16, which is 62% of the assessment. The report shows on its face that something is lacking, since the great need for full collections is so apparent.

This is shown when we report there were applications for aid before our Board amounting to \$5,725.00, which we could have granted almost to the full amount of the application had the assessment been paid in full.

In addition to the applications before us for aid in the building of churches already begun, we have 101 societies without any house at all in which to do business. And again, our Board recognizes the absolute need for an outlay of at least \$2,000.00 in the Haleyville and Albertville Districts if we would conserve the resources naturally belonging to our Church, and develop a territory which would soon be a live asset, making rich return for every dollar invested, and this return not only in money, but in sturdy character and working force in the Church.

However, in the face of our need as noted and the additional fact that the applications come from almost the entire Conference territory, it behooves us as presiding elders, pastors and laymen to see that our Conference be satisfied with nothing short of a collection of the entire assessment for Church Extension. At present she ranks forty-second in the list of Conferences in the connection in her interest in this fund.

We are pleased to report the excellent progress of our church building at Montevallo, under the direction of the commission appointed, and with the efficient aid of Rev. W. P. McGlawn. This enterprise has also necessarily drawn heavily on our funds and must still have our attention.

We note the direction of the General Board to the advisability of our establishing a Conference Loan Fund, and being convinced that oftentimes the aid granted by this Board would better be given in the form of a loan than donation, we have, by resolution, set aside 50% of that part of our collection in the future which shall be retained by the Conference Board as a Conference Loan Fund, and we announce it as the policy of this Board to grant aid as a loan rather than a donation. We hope by this policy to stimulate the congregations and, at the same time, render the same help, available later, for some other point.

Referring further to this policy, we request that the presiding elders and pastors present this feature of the loan fund to our people as an inviting field for an investment of their funds, either by donation, bequest, or on the annuity plan.

On looking over the field, we find that we are obliged to have more money if we would conserve the resources naturally belonging to our Church, and, indeed, that we be saved from embarrassment.

In the consideration of a plan, we came to the conclusion that it was poor business to add to the assessment, expecting to realize the usual percentage, but rather determined to stand for a full collection of the assessment levied by the General Board.

This assessment for the next year is \$11,156.00. We urge our presiding elders and pastors to give Church Extension a prominent place in the coming year; that we recognize it as the right arm of our missionary operations; that an hour be assigned its representative at the District Conferences, and that every means be used to bring this collection to 100% instead of 62% of the assessment.

### HOSPITAL COMMISSION

To the Bishop and Members of the North Alabama Conference of the Methodist Episcopal Church, South, in Session at Florence, Ala., November 29, 1911.

Dear Fathers and Brethren:

We, your Committee appointed at the last Conference to look into the advisability of establishing a Hospital by our Conference, or in conjunction with the Alabama Conference, beg leave to make the following report:

We did not meet with the Alabama Conference, but did correspond with them. After carefully considering this important matter, we decided that while in our opinion a Hospital owned and operated by the Methodist Church in Alabama would prove a very great asset, and be very helpful, yet we do not consider the time just ripe for launching a movement to acquire one, but on account of the very great importance of such a thing being done just at the proper moment, and realizing that circumstances may arise at any time that will call for immediate action for the best interests of our Church,

We, therefore, recommend that a Committee of three composed of the following: K. N. Matthews, W. K. McAdory and George B. Tarrant, be appointed to serve the present quadrennium, to watch the field, and if a favorable opportunity offers at any time, that they project the enterprise, with assurance of support from this Conference.

Respectfully submitted,

S. T. SLATON,

WALTER K. McADORY,

W. E. STRIPLIN,

Hospital Commission.

### EPWORTH LEAGUE BOARD

While we regret that so little has been done in comparison with that which ought to have been done, we appreciate the efforts of those who have labored for the upbuilding of this department of our Church.

It is the earnest desire of this Board to co-operate with the officers of the North Alabama Conference League in furthering the work within our bounds.

We commend the policy of the General Board in holding Epworth League Institutes as far as possible in every District in the North Alabama Conference, as well as in financing the Cuban Mission.

We urge upon our pastors and presiding elders the importance of bringing this to the attention of the Leagues, and in helping the spirit of co-operation.

It is our earnest desire to bring the Epworth League work before the District Conferences during this year, and we would earnestly request the presiding elders to give this Epworth League work the place of prominence which it deserves.

We commend the Epworth Era for its intrinsic worth, and trust that it may find a larger place in the reading of our young people.

G. T. HARRIS, President.

V. H. HAWKINS, Secretary.

## MEMOIRS

### ROBERT BURTON BAIRD

---

Robert Burton Baird, son of James E. and Lucy Baird, was born at Goshen, Ala., January 17, 1851. He was converted in early life at Bethel Church, in Calhoun county, Alabama, and joined the Methodist Church, South.

He was licensed to preach about the year 1880. In the fall of 1887, at Tuscaloosa, he was admitted on trial into the North Alabama Conference. He was ordained deacon in Huntsville, Ala., in 1889, by Bishop Duncan, and elder, by Bishop Galloway, in Decatur, Ala., December 6, 1891.

He served the following charges: Warrenton Mission, two years; Ohatchee Circuit, two years; Berry Circuit, four years; Heflin Circuit, four years; Lincoln Circuit, three years; Alexandria Circuit, three years; Piedmont Circuit, two years.

In the fall of 1908, on account of the helpless condition of his afflicted wife, he was superannuated, and was in this relation two years. In December, 1910, he was assigned to the Lanier Circuit, where he ended his labors in peace, and passed to his reward November 11, 1911.

In early manhood he was married to Miss Mattie Smith. This union was blessed with several children, two of whom survive him—Jerome J. Baird, of the Mississippi Conference, and Mrs. R. J. Williams, of Heflin, Ala. December 22, 1910, he was married to Mrs. Willie D. Buckalew, of DeArmonville, Ala., who deeply mourns his untimely taking away.

As a man, citizen, husband and father, Brother Baird adorned the commonwealth in which he lived, and "centered within himself the most beautiful graces of a home in which love presided, and from which the holiest influences radiated".

He was not a man of showy life and great profession, but he was a man of real merit and true character. He had convictions and could stand for them with the moral courage of a hero. He was of a kindly disposition and a loving heart. In his home and with his loved ones, especially when there was affliction—and there was much of it—he was as gentle and tender as a woman.

But it is his work as an itinerant preacher that will stand the test of time and the disclosures of the final day.

He was a faithful shepherd, going in and out before his people, giving them a wholesome example of quietness, peace and love; and ministering counsel, cheer and comfort as only one can do who has sat at the feet of the Great Teacher and learned of Him.

He was a good preacher, sound and sensible, and loved to preach. His sermons always brought food for the minds and hearts of his hearers, and he was faithful to the end.

He lived nobly and wrought well; and while we mourn that he has gone out to return no more, we rejoice in the hope that, by and by, we shall find him in the Better Land; for we have no doubt as he entered into rest he heard his Master say, "Well done, good and faithful servant".

### EUGENE HARTWELL PRICE

---

Rev. Eugene Hartwell Price was born at Glennville, Barbour (now Russell) county, Alabama, February 7, 1860, and departed this life at Ethelville, Pickens county, Alabama, September 15, 1911. His parents were people of culture and deeply religious. Rev. Wm. J. Price, of the Alabama Conference, is his brother, and Rev. Jesse Wood, of California, is his half brother. Our brother came to manhood's estate in a community famed for refinement and devotion to Christianity.

Brother Price was converted in early life, joined the church, and gave himself without reservation to the service of the Lord. His ideals were high, and from his boyhood he

lived as well as he knew. He was straight and he was true. During the year 1882, at Spring Hill, Barbour county, near to the scenes of his birth and rearing, he was granted license to preach, Rev. R. B. Crawford being presiding elder, Rev. C. B. Pilley pastor, and Mr. R. Barr secretary of the quarterly Conference.

In 1887, at Tuscaloosa, he was admitted on trial into the North Alabama Conference. The record of his pastoral appointments follows: Leeds and Henry Ellen, 1888; Fernbank Circuit, 1889; Fayette Circuit, 1890; Northport Circuit, 1891-2; Gordo Circuit, 1893-4; Gadsden Circuit, 1895-6; South Hill Circuit, 1897; Vernon Circuit, 1898-1901; Carbon Hill Circuit, 1902-3; Brookside Circuit, 1904-5; Gurley Circuit, 1906-7; Triana Circuit, 1908-9; Ethelville Circuit, 1910-11.

On December 19, 1891, he was happily married to Mrs. Lou Anna Holmes, of Tuscaloosa county. One son, Hartwell, three step-daughters and the faithful wife are left to mourn the loss of father and husband.

Brother Price was a good man—humble, prayerful, faithful. He was modest and unpretentious, but decided and courageous with clear-cut convictions of his own. His piety was his most striking characteristic. He was a devoted follower of the meek and lowly Jesus. His spirit yearned for the salvation of the lost, and he always earnestly sought the guidance of the Spirit in all the details of his pastoral work. He was a man of discernment, and brought things to pass.

He was not what the world calls a great preacher, but he preached in demonstration of the Spirit and of power. He was a good preacher—one used of God. He studied his texts thoroughly, prepared his message carefully, and aimed at things within reach. Whenever he entered the pulpit his mind was set on accomplishing something for God. And his was a ministry that made an impression; he did a work that will abide; not a few will owe to his labors strong and useful manhood and striking and beautiful womanhood. In the world's history his place may not be with those called great; but he will occupy a place of real usefulness in the history of souls redeemed. He may not shine like Paul and Peter in the record of great Church leaders; but he will shine among the faithful ones who loved and labored successfully to save lost men and women.

Brother Price had a genial disposition and a warm, sunny soul. He loved his friends with a pure heart, fervently. He was highly susceptible to kindness, and a favor shown him was deeply appreciated and never forgotten. His was a strong and noble manhood, yet full of tenderness and love.

His work is done, and he returns no more to answer to our roll call. He has been transferred to the Conference above where, to the roll call of the Master, he will answer,

### JOHN RICHARD WATERS

---

John Richard Waters, son of Rev. Resin Fletcher and Bettie Womac Waters, was born in Panola county, Mississippi, September 6, 1877. His father was a member of the North Mississippi Conference, and died in October, 1880, while stationed at Rosedale, Miss. A little while before death came to the father, the child John was called for, and to the mother was said, "This child is to be a preacher; be sure to raise him for the Lord". Thus from infancy was he dedicated by his father to the service of God; but, not until he had for himself answered the call of God, did he know what his father had said.

After the death of the father the mother moved to Florence, Ala., established herself in a modest home, and settled down to the work of rearing for God her two boys, John, and his half brother, James T. Johnson, eight years older.

At Florence, John grew up in the Sunday School, joined the Church when quite young, and became an enthusiastic worker with never any wavering in devotion to the cause. He attended the public school in Florence, of which his mother was principal, and

then graduated from the State Normal College, Florence. That he might contribute as far as possible toward his own education, he worked afternoons and Saturdays at a drug store.

While quite young, he ran one afternoon into his mother's room, his face all aglow, saying, "Mamma, look at my nice, new Bible. Isn't it pretty"? Reply was made: "Yes, son; you have a number of Bibles now; what do you want with another"? He replied: "Yes, mamma, but I have to preach the gospel". This was the first intimation he ever gave of his call to preach.

After graduation at Florence, he taught for two years at Renfroe, near Talladega, Ala. He then spent two years at Mooney's School, Franklin, Tenn., teaching and pursuing studies for further college work. He was superintendent of the Sunday School at Franklin; there was licensed to preach; there had perhaps the greatest battle of his life, and there won a great victory.

He had about decided to become a lawyer, going so far as to provide himself with books and to begin preparation for that end. The way was opened for him to pursue legal study under eminent instructors in Georgetown, D. C. But a battle was being waged in the heart of the young man; a voice was speaking to his inner consciousness, calling him to the ministry. Through several months this battle raged, and then he surrendered, surrendered completely, and the matter was settled. There came a sweet peace, and his spirit was at rest. Being persuaded that the time had passed when a preacher could afford to enter upon his work without thorough preparation, he began with set purpose to fit himself to be a preacher and a teacher. Accordingly, he entered Vanderbilt University, and continued there for seven years, practically working his way through. He received his B. A. degree in 1905 and his M. A. in 1908, at the same time taking the B. D. degree from the Biblical Department. The next summer he spent in Chicago University, still seeking knowledge.

In November, 1908, at New Decatur, Ala., he was received on trial into the North Alabama Conference and sent to Hamilton Station, where he did an excellent work. His consecration to duty and his lovable disposition made a fine impression upon his people and won friends among all classes. For 1910 he was sent to West Gadsden, and there impressed himself on his people as a man of God. In July, 1910, he was elected to the chair of History and Philosophy in Birmingham College. His people at West Gadsden gave him up with reluctance. At the opening of the fall session of the college he entered upon his work and pursued it with such degree of intelligence and earnestness as to betoken great success in his department. In the three months intervening between the opening of school and the session of the Conference he had convinced all parties that he was the right man in the right place.

He was a preacher of decided ability. Clear and strong in the presentation of gospel truth, he spoke as one who knew in his own life the force of that truth. He carried these strong convictions into his school work. He at once won the respect of the members of the faculty, and the students soon learned to love him devotedly. He was interested in everything that concerned the welfare of the boys; he was with them in their Christian work, and his daily life was a high example to them. Surely, never man got a stronger hold on student body in so short a time than did he get. Numbers of students in Birmingham College have said, "He was the best man I ever saw".

At the close of the Conference at Huntsville he returned home sick. After a few days pneumonia developed; and on December 15, 1910, he passed to his reward in the city of God. His mother and brother reached his bedside when his sickness was serious, and when his mother came into the room never was there on human face a look of deeper affection than was on his. He could not talk much; but his eyes looked the tender love he could not speak. Before he went away he spoke to friends freely concerning his temporal affairs and of his spiritual condition. He said, "I want to talk to you while I can. I do not know how this will terminate. I want you to know that if I go, it is well. My

faith in God is strong. In fact, I believe I had a little rather go". There was no fear, no shrinking back.

It can never be fully told what a great service his good mother did for the world when she reared such a man as John R. Waters. No man could know him without being better by it. Always bright and cheerful, he carried sunshine wherever he went. None ever knew a more perfect Christian gentleman. He has gone, but we know where to find him. His work is done, and done well. He was faithful to Him who called him, and is now with his Lord in glory.

## MEMORIAL PUBLICATION

---

Whereas, The North Alabama Conference, more than forty years ago, entered the list of Conferences of the Methodist Episcopal Church, South, and, notwithstanding its apparently unpropitious and small beginning, has forged its way to the forefront, and is, in many respects, the equal of any in our great connection; and,

Whereas, This marvelous success has, under the blessing of Almighty God, been achieved through the heroic labors and sacrifices of the men who composed the membership of the Conference at its beginning; and,

Whereas, Many of these godly men who thus labored and suffered to make our Conference what it now is have passed to their great reward; and,

Whereas, We, their younger brethren, who have entered upon the rich results of their labors, desire that their names as well as their labors shall abide with us in sacred memory; therefore,

Resolved, 1st. That we will endeavor to express our appreciation of the great worth of our ascended and glorified brethren by erecting to their memory a modest monument, not of stone or marble, but of history, which will enable them, though dead, yet to speak.

Resolved, 2nd. That in order best to accomplish this desired end, we undertake to publish in book form a brief biography, at least, of the older members of our Conference who have died.

Resolved, 3rd. That we adopt the following plan for the work, viz: Let subscriptions be taken from members of the Conference (and others who may desire to take part in the enterprise) under the following conditions: First, subscriptions to be due when a sufficient amount has been pledged to make the enterprise an assured success. Second, when the book is published and ready for the market, each subscriber is to receive the full amount of his subscription in books at the cost price of publication and delivery. Third, that a committee of three be appointed by this Conference, to be known and designated as Conference Publication Committee, consisting of the following brethren, viz: S. L. Dobbs, J. H. Wilson and J. D. Simpson. The duties of said Committee shall be to superintend and be responsible for the publication and distribution of the above named book, with full power to execute and facilitate the work in such businesslike manner as may appear to them to be right and reasonable, and to have the work completed as soon as possible. Fourth, that this Conference here and now appoint Rev. W. T. Andrews as Editor and compiler of said book, whose duty it shall be to collect material for said book, edit, compile and prepare the same for publication, subject to the inspection and approval of the Publication Committee. Fifth, that this Publication Committee shall call a meeting and organize at the earliest possible time by electing a President, Secretary and Treasurer. Sixth, That as soon as a sufficient amount is subscribed to finance the enterprise, the Secretary shall proceed to collect said subscriptions and turn the same over to the Treasurer to be applied to the expenses of the enterprise as shall be ordered from time to time by the Committee. Seventh, that suitable and reasonable compensation shall be allowed the Editor for his services, the amount to be determined by the Publication Committee.

Should these resolutions be adopted, we recommend and urge the friends of our de-

ceased brethren, whose names and biographies are to appear in this contemplated publication, to render the Editor all possible aid by furnishing him such material information as they may have at hand in the way of facts, incidents and personal character concerning the subjects of these sketches. This is to be history, and therefore should be as true to life as possible. If a likeness is desired, the friends must furnish the plates.

## BOARD OF MISSIONS

### Report No. 1

Your Board of Missions respectfully recommends that J. O. Hanes, J. A. Bowen and J. A. May be appointed to the work of Conference Missionary Evangelist, and that R. M. Archibald be reappointed as Conference Missionary Secretary.

### Report No. 2

Your Board of Missions respectfully submits Report No. 2:

Reports from the Secretaries of the General Board are of a very encouraging nature. Our six foreign missions are doing well, the most serious difficulty being our inability to measure up to the splendid opportunities now open to us. There is increased missionary intelligence among all our people, the laymen are aroused as never before, and the prospects are growing brighter with every day. We believe that every presiding elder, pastor and lay leader should endeavor to lead our Conference into the doing of her full duty to the task now before us. The work of missionary education must go steadily on. To this end there should be circulated continually the best missionary literature, especially that choice periodical, *The Missionary Voice*; the organization of mission study classes, the teaching of missions in the Sunday School, and by any and all other methods that will tend to arouse our people.

Information from various sources confirms us in the belief that the methods (in some cases a lack of method) hitherto prevailing for raising funds to carry on our work both at home and abroad have proved to be inadequate to the needs, and have also failed, for the most part, to enlist the majority of our membership in this most Christ-like work of the Church. We, therefore, recommend that we pledge ourselves to an earnest effort to put into immediate operation throughout the bounds of our Conference the plans set forth in "A Financial Plan for Methodists", which is in harmony with the requirements of the Discipline and is approved by all the General Secretaries of the connectional interests of our Church.

We further recommend that our Conference fix as its goal for missionary giving, a weekly offering of not less than one cent for the entire membership of the Conference. This is but a trifle, compared with our splendid ability, and is especially necessary, as the bare assessments will not meet the demands in either the home or foreign department of the work.

### Conference Missions

The work within the bounds of our Conference goes on at a gratifying rate. The reports show that more than 900 were received on profession of faith in the forty-five mission charges during the year now closing. Your Secretary reports 91 churches visited, 290 services held and \$2,632.90 collected as specials for Conference missionary work, \$2,119.90 of it being in cash, the balance in supplies for our men on the fields.

Our three evangelists have wrought well and the Lord has greatly blessed their labors. They report altogether 65 revival meetings, 1,216 sermons preached, more than 3,000 conversions and over 1,700 added to our Church. Brother John A. May has

been employed by your Board to work for the ensuing year under the direction of the presiding elders throughout the Conference at such places as he may be most needed. We have also established an Evangelistic Bureau so that any pastor needing evangelistic services may apply to this bureau, which will endeavor to supply the needs.

Investigation proves to us that we are losing members here and there throughout the Conference because of doctrinal dissatisfaction. We believe that in every case such dissatisfaction is the result of a failure to properly understand the peculiar doctrines of Methodism. We, therefore, recommend the large circulation of such literature as will make plain our doctrines and polity, and, wherever occasion calls for such, the preaching from the pulpit of those tenets peculiar to ourselves. Our Methodist people have a right to know what we believe and why we believe it.

### Haleyville District

The growth of the work in the Haleyville District has been far beyond our reasonable expectations. Reports made at this Conference show that this year we have in that District 2,602 members, 364 added on profession of faith, and church property valued at \$30,603. Two years since we had only 2,219 members, 180 additions on profession of faith and church property to the value of \$15,300; so it will be seen that our property and additions have more than doubled and the net gain to the membership amounts to more than 400.

We desire to call attention to the Mid-Winter Institute which is conducted in the Missionary Training School at Nashville from December 28 to January 5. A programme of rare value has been prepared and it is of great importance that as many of our preachers as possible, both young and older, avail themselves of this splendid opportunity.

In order to properly adjust ourselves to the great task before us, we recommend that the Secretaries at Nashville hold a general Missionary Institute in Birmingham as early in January as practicable, and that all of our presiding elders, district lay leaders, and as many of the pastors and church leaders as can do so, be urged to attend this Institute, where we hope plans will be laid for an aggressive Conference campaign. We further recommend that, following this central meeting, the presiding elders be requested to hold such Institutes as will cover their entire Districts and thus make the campaign thorough; and that in all these campaigns efforts be made to secure every assessment for every purpose and such specials as may be practicable. The General Board has assessed our Conference for Foreign Missions \$16,700, and for Connectional Home Missions \$5,300. We recommend that the assessment for Conference Missions be fixed at \$11,400. This will make the assessment for Home and Conference Missions equal that of the Foreign. We offer the following resolution:

That all our presiding elders and pastors be requested to see that the assessments for Home and Conference Missions be in the hands of the Treasurer not later than the first of March, and that the assessment for Foreign Missions be paid not later than the first of May.

**ALABAMA METHODIST ORPHANAGE****Report of Board of Directors**

To the Members of the Alabama and North Alabama Annual Conferences.

Dear Brethren:—The year just closing has been an epochal one in the Orphanage work. Our last annual report showed an indebtedness of \$2,850, inherited by the present Board of Directors. Liberal responses from both Conferences enabled us to pay all this debt last December, so that we began this calendar year without one dollar of obligation against the Orphanage.

Acting under the amended charter, authorized by both Conferences last winter, we began early in this year to devise plans either to improve our property at Summerfield or to secure a new location. The conviction grew upon us that it would be a poor investment to put many hundreds and even thousands into improvement of the antiquated building at Summerfield, some nine miles from a railroad. In June it came to our knowledge that we might secure the plant of the Selma Military Institute at an attractive price. The Board investigated this property, and were so impressed with its adaptability that, by a majority vote, an offer of \$22,500 was made for the plant, which was less than one-third its original cost four years ago. The citizens of Selma, anxious to see the Orphanage located in that city, gave financial aid to the Selma Institute Trustees, that they might discharge their obligations and accept our proposition. Our offer was accepted, and the deal was effected by which we secured a most desirable permanent location.

The property is a ten-acre lot in the corporate limits of Selma, upon which is a three-story brick building, erected as a college building, and modern throughout. There are about sixty living rooms, a large chapel, four class rooms, a laboratory, a music room, dining room, kitchen and cold storage arrangements of the very best; light, water and sanitary connections throughout, and a first-class heating plant, with radiators in every room and hall in the house. A large amount of furniture was included in the purchase cost. A street car line passes the building, making the place easy of access to and from the depots and all parts of the city. Fire plugs on two sides of the building put us under the protection of the city fire department.

The children were moved to the new home September 25, and September 27 "Opening Day" exercises were held, when Bishop Warren A. Candler delivered a magnificent address. The city school board appropriates a fund of \$100.00 per month for a school in the Orphanage building. Under the excellent school system of Selma we are blessed with facilities that are as good as any city in the State.

As to financing the purchase of this property, the Board will utilize our "Building or Endowment Fund", which came to us in bequests and now amounts to \$12,500, including interest. This will leave a \$10,000 balance. We propose to liquidate this by semi-annual payments of \$1,000 each. The rent now coming from our Birmingham property amounting to \$1,500 per annum will be applied here, and with \$500 per annum from our general fund, which we feel sure can be allowed, will enable us to pay for this property in six years without having to take a single collection for this purpose. Our property in Pensacola is bringing practically no return, and will be sold; our farm lands at Summerfield

will likely be sold and the assets involved in these items, together with a few hundred dollars in collaterals now in hand, may enable the Directors to pay off the debt on the new home within four years.

The health of the children is remarkably good. The distressing problem is pellagra. Some thirteen cases developed among the children, and two died of the disease. Early this year the afflicted ones were taken from among the other children and placed in a hospital. We secured the services of an expert physician, and the indications are very cheering. All signs of the disease have disappeared from most of the children, yet they are kept separate from the well ones. It is imperative that we soon build an adequate hospital adjacent to our present home.

We had in the treasury on October 15, 1910, \$418.19; there has been received for all purposes since that time (including the old debt fund), \$14,693.12. There has been expended for all purposes \$13,825.63, leaving a balance in bank October 15, 1911, of \$867.49. Of the amount received for current expenses, \$6,505.93 came from the Alabama Conference and \$5,077.52 came from the North Alabama Conference.

Fifty-one children have been received into the Orphanage since October 15, 1910—22 boys and 29 girls. Of these, 21 came from the Alabama Conference and 30 from the North Alabama Conference. There were in the Orphanage October 15, 1911, 89 children. Of these, 28 came from the Alabama Conference and 61 from the North Alabama Conference. During the year 39 children have been sent into good homes, and three have died. Brother and Sister Reid have wrought well in their care for the children. The Board is deeply sensible of its debt of gratitude to them. We unanimously re-elected Brother Reid as Superintendent and Agent, but he declined to serve again. Upon what we regard as the highest endorsement, we elected Rev. J. C. Craig, of the North Alabama Conference, Superintendent and Agent, and most respectfully ask Bishop Hoss to appoint him to this work.

Upon the declination of Brother Reid to serve longer, the Board unanimously passed the following resolutions:

"Whereas, Rev. W. J. Reid has been Superintendent and Agent of the Alabama Methodist Orphanage for two years past, and Mrs. Reid has filled the position of Matron; and,

"Whereas, Brother Reid has seen fit to discontinue his relations to the Orphanage to resume his labors as a pastor, therefore, be it

"Resolved, That the Board of Directors thus express their appreciation of the faithful and efficient services of Brother and Sister Reid in caring for the children of the Orphanage, and while regretting their departure from the work, wish for them the greatest success in their labors in the Lord".

A. W. Smith, a member of this Board, tendered his resignation, and we respectfully ask the North Alabama Conference to elect Sam Will John in his stead.

We are indeed grateful to our people for their support of the Orphanage, but as all are not carrying their proportionate share of this responsibility, we would urge that every pastoral charge, every church and every Sunday School comply with the plans outlined by our Conference actions, and there will be enough funds supplied for your Board to give to these dependent children all needed care and attention. We make grateful acknowledgment to the Schools, Epworth Leagues and Societies who are supplying clothing for the children. This work is so important and so urgent that it is sincerely hoped none will relax their efforts in this direction.

H. C. THREADGILL, President.

E. A. DANNELLY, Secretary.

## SABBATH OBSERVANCE

The Sabbath is a divine institution, and its preservation is essential to the permanence of the institutions of our holy Christianity. By the word of God we are taught that it is a necessity alike to the physical and spiritual well being of man. Whatever, therefore, would undermine it or defeat the purpose for which it was ordained, is the enemy of God and man, and deserves the condemnation of all good people.

That there is a growing disregard of this day, there is no question, which fact is greatly to be deplored.

We wish to commend the Editor of the Alabama Christian Advocate for the firm stand he has taken for Sabbath observance, and endorse his editorial utterances arraiging and condemning the State Exposition for opening their gates on the holy Sabbath day.

We express our approval of the efforts made by the employees of the postal service to stop the distribution of mails on the Sabbath and rejoice in the good success that has attended them.

We urge all our ministers and members not to ride on street cars or railroad trains on the Sabbath, except in cases of necessity.

To secure a better observance of the Sabbath, we offer the following recommendations:

1. That a Committee of three be appointed by this Conference, namely, L. F. Whitten, J. F. Sturdivant and S. T. Slaton, to act with similar Committees appointed by other religious bodies, to suppress Sabbath desecration, and to keep in touch with officers of the Sunday League of America, and to co-operate with this League in an effort to make more effective its work in our State.

F. H. GARDNER, Chairman.

L. A. HOLMES, Secretary.

## SUNDAY SCHOOL BOARD

The Sunday School of today is the Church of tomorrow, and that which increases the efficiency of the Sunday School enters largely into the making of the Church. The Sunday School must ever be reckoned as the most important institution of the Church, since, in fact, it is the childhood of the Church. What, therefore, the Church is to be, depends upon what the Sunday School is.

We are gratified to note an increased interest in the Sunday School and a general desire to make it more effective. Your Board thinks that the afternoons of our Annual Conferences could not be better spent than in Sunday School Institute work; we, therefore, ask that, as far as possible, the afternoons of each Annual Conference be left open for such work.

We commend the work of the Alabama Sunday School Association and advise that our people heartily co-operate in the work in their respective counties and districts.

No movement of the modern Sunday School is fraught with greater possibilities of good than the organized Adult Class. We urge the organization of such classes, and that our pastors and superintendents co-operate in building up the Wesley Adult Bible Class Department, so ably conducted by Rev. Charles D. Bulla.

The Department of Teacher Training, under the leadership of Dr. H. M. Hamill, is rendering a most important service in increasing the efficiency of our teaching force. Teacher Training Classes should be organized in every school. They offer the surest and quickest method of recruiting trained teachers.

The Report of our Sunday School Editor shows a large gain in the number of Sunday Schools and Sunday School pupils during the past year, and a gratifying increase in

the circulation of our Sunday School literature, which is unsurpassed in its quality and the purpose for which it is edited. We would call special attention to the Magazine, the Adult Student, and the Home Department Quarterly.

Our Field Worker, Brother J. B. Wadsworth, has rendered large and effective service, going to many needy places in our Conference at his own expense. We recommend his reappointment.

### Southern Assembly

Believing that the Southern Assembly at Waynesville, N. C., is destined to become the great summer meeting place of Southern Methodism, we thoroughly approve of the plan of the General Sunday School Board to erect on the Assembly grounds a Model Sunday School Building for the holding of Summer Schools and Institutes for the training of teachers, and we recommend that our Sunday Schools, so far as possible, comply with the request of the General Board to take voluntary offerings for said building.

## SUPERANNUATE HOMES

### Agent's Report

To the Bishop and Members of the North Alabama Conference.

Dear Brethren:—Among all the important interests of the Church, there is none that appeals more strongly to the people than the Superannuate Home movement. It seems to be a real delight for many of our people to make annual contributions to this worthy cause, the object of which is to provide comfortable homes for the superannuated preachers of our Conference and the widows and orphans of deceased preachers.

Our cash receipts aggregate \$5,632.60.

One Home has been donated by J. W. Cochran and wife, located at New Market, Ala., in the Huntsville District. New Market is a nice town, with good school and church privileges. With some improvements made on the Home by the Board, it will prove a blessing to the movement.

The following parties have pledged Homes individually, to be built in one, two, three and four years: George B. Tarrant, one Home, to be located in the Birmingham District, Twenty-first avenue, Birmingham, Ala. The Home will be in honor of his mother, Martha J. Tarrant, deceased, and will be built within two years.

Walter K. McAdory, one Home, to be located possibly at Jonesboro, in the Bessemer District. The Home will be in honor of his father and mother, Thomas McAdory and Jane A. McAdory, deceased, and will be built within four years.

V. Livingston, one Home, to be located at Vernon, Ala., in the Jasper District, and to be built within one year.

Some others have pledged Homes, but requested that their names be withheld for the present.

Rev. A. M. Yoe, whose health broke down soon after our last Conference, and his family, were immediately placed in the Barclift Home at Hartselle.

Our Home at Guin is occupied by the children of the late T. W. Ragan, deceased.

Brother E. H. Price passed to his reward from the active ministry recently, and our Raley Home at Vincent has been turned over to his widow and children.

Twenty-five Homes are occupied by claimants, one used for a parsonage, and two are temporarily unoccupied, making a total of twenty-eight Homes.

On account of a large cement plant recently located at Ragland, near the Lila Kathryn Brown Home, the environment of which rendered the Home undesirable for a place of residence, your Agent, Executive Committee and donor thought it best to sell the property. So the same has been recently sold, and the proceeds will be invested in another Home in the best residence part of the town. The Lanier Home has also been sold, and the proceeds will be invested in another Home.

It is the rule of the Board of Trustees to keep the property insured, and the premiums paid to date.

We have made some improvements on several of the Homes during the year.

The estimated value of our Homes is \$62,000.00.

We have subscriptions payable monthly and yearly approximating \$4,500.00.

The approximate value of Homes pledged is \$32,000.00, which makes a total valuation in Homes, subscriptions and pledged, of \$98,500.00.

Allow me to say in conclusion that it would have been impossible for your Agent to have made this splendid showing of results had it not been for the faithful co-operation of the pastors, the splendid management and assistance of your most excellent Board of Trustees, and the untiring efforts of your worthy and efficient Executive Committee, composed of J. D. Simpson, Chairman; J. D. Moore, Secretary and Treasurer; John E. Morriss, E. J. Garrison and H. G. Davis.

We praise and glorify the Great Head of the Church for directing by the power of the Holy Spirit, and moving upon the hearts of the good laity of the Church so as to incline them so liberally to this special interest of His Kingdom.

Respectfully submitted,

J. W. NORTON, Agent.

### Report of Trustees

To the North Alabama Conference, Florence, Ala.

The reports of the Agent of Superannuate Homes and of the Executive Committee were before us for consideration. These reports indicate substantial progress in gratifying proportions.

We commend the excellent manner of handling all the business of the Homes.

The following are recommended for election as Trustees, to complete the Board: Mack Pierce, D. Isbell, in place of E. O. McCord; Peyton Norvell, in place of H. F. Yarbrough.

The Conference is hereby requested so to amend the Constitution governing the Trustees for Superannuate Homes as to provide that the presiding elder of Birmingham District shall be ex-officio Chairman of the Board and of the Executive Committee.

We recommend the reappointment of J. W. Norton as Agent.

J. D. SIMPSON, Chairman.

E. M. GLENN, Secretary Pro Tem.

### Report of the Treasurer

Balance on hand last report.....	\$ 113 38	
Receipts from Agent .....	5,632 60	
Total .....		\$5,745 98
<i>Disbursements—</i>		
Paid salary and expenses of Agent.....	\$1,906 36	
Paid insurance premiums .....	186 37	
Paid improvements and repairs .....	1,812 39	
Cash on hand .....	1,840 86	
		\$5,745 98

Your Treasurer does not handle any cash, requiring the Agent to first deposit in his bank and then pay the Treasurer by check, thus preserving a double check as a precaution against error.

Your Executive Committee are careful to avoid going in debt, and refuse to create any obligations that they have not the funds to meet properly, and in this way the Superannuate Home movement has a high class credit, and its obligations are taken readily at their face value.

Respectfully submitted,

J. D. MOORE, Treasurer.

November 27, 1911.

### TEMPERANCE

We, your Committee on Temperance, beg leave to submit the following Report:

We endorse the work of the Anti-Saloon League and recommend it to the financial and moral support of all friends of temperance throughout our borders. We have also recommended to that body the election of Hon. Mack Pierce and Rev. S. N. Burns Trustees, who shall represent us on its Board of Trustees. We feel the deepest regret that Secretary James Wilson should have consented to preside over the late convention of the National Brewers' Association.

We also endorse the anti-shiping bill recently introduced into the Federal Congress, and urge all our Senators and Representatives to vote for the passage of the same.

We are much gratified at the earnest and faithful work done by our Alabama Christian Advocate for the cause of temperance and prohibition and for all righteousness and truth.

L. F. WHITTEN, President.

S. N. BURNS, Secretary.
